Aloha!

The 7th Annual Maui Open Taekwondo Championships will be held on Saturday, November 26th 2011 at the Maui War Memorial Gymnasium. This Championship Tournament has featured athletes from throughout Hawaii, the USA, as well as international competitors from Slovenia, Croatia, Nigeria, Senegal, Philippines, Canada, Austria, India, and Pakistan.

The Maui Open Taekwondo Championships is being hosted by Kiffmann Taekwondo Inc., a Maui organization established in 1994. With nearly 100 of their own students competing, this tournament will provide a valuable experience for our Maui athletes to compete on an international level. This exciting martial arts event will feature many past and current state and national level Taekwondo champions, as well as Olympic hopefuls.

The Maui Open Taekwondo Championships is a non-profit event with the objectives of providing our Maui athletes an opportunity to compete in an international event here at home. As such, these athletes need the support of businesses like yours to make this possible. Masters Kathryn and Gunter Kiffmann have over 40 years combined teaching experience, and will guarantee an excellent showing of our talented Maui Martial Artists.

Please review the attached Program Advertising sheet to showcase your support in the souvenir program booklets that all athletes and attendees will receive. All advertisers will receive a free web page banner ad. Research Kiffmann Taekwondo on their website www.kiffmanntaekwondo.com, or the Maui Open Taekwondo Championships at www.mauiopentkd.com to see the value you will be getting for supporting this event.

Kiffmann Taekwondo, Inc. is a non-profit organization with a 501(c)(3) status.
